LOCATION – ÓBIDOS & PENICHE

Óbidos

- is one of the most perfect examples of our medieval fortress. Inside the walls, which at sunset take on a golden colouring, one can sense a cheerful medieval ambience of winding streets, old whitewashed houses bordered with blue or yellow, Manueline embrasures and windows, reminding us that King D. Manuel I (sixteenth century) carried out major works here, and masses of colourful flowers and plants.

Peniche

- Peniche and the sea are inseparable. It is one of the largest traditional fishing ports in Portugal and a major Atlantic hub for maritime-tourist activities. Before heading to the beach, your visit to Peniche must include a walk through the historic centre. In addition to fishing, which has always been one of the sources of income of its people, Peniche is also known for the art of **bobbin lacework**, perfected by the women while the men were out at sea.

GOLF COURSE – Praia D'El Rey

- **EGPJ – Guests & Sponsors Tournament**

Praia D'El Rey is set among extensive pine forests and undulating dunes, with spectacular views over the Atlantic and the Berlengas Islands beyond. The 18-hole golf course was designed by the renowned American golf architect Cabell B. Robinson and was inaugurated on 14th June 1997. Deep bunkers, sloping greens and sandy dunes contrast sharply with the lush fairways, making it the complete golfing challenge.
